# chocolate GRATER

Freshness  
**Value added  
and convenience**

Primary packaging Grater in PP

1 Remove the keep-fresh cover

2 Grate the quantity you want by turning the grater clockwise

3 Replace the cover and put it back in the cupboard

## Handiness

It grates quickly the necessary quantity of chocolate you need, without any waste. You don't make any effort, with a few simple movements you can have your instant grated chocolate, and after you can put the grater back for next use

## Quality

The cover maintains the freshness and the aroma of chocolate

## Hygiene

The packaging grating system is designed to keep the chocolate fresh and clean and protect it. After use you don't need to wash it

**High quality and easy to use**  
**The future in dispensing has arrived!**
